POSITIVE PROFIT ALERT

This announcement is made by Kwong Man Kee Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the Group’s unaudited consolidated management accounts, the Group is expected to record a profit before tax approximately HK\$2.5 million for the three months ended 30 June 2018 as compared to the loss before tax of approximately HK\$0.7 million for the three months ended 30 June 2017.

The Board considered that the improvement of results was primarily attributable to the significant increase in revenue during the three months ended 30 June 2018, as compared to that for the corresponding period in 2017, which was mainly caused by the significant numbers of contracts under progress for the year ended 31 March 2018 and recognition of their revenues based on the stage of completion during the three months ended 30 June 2018.

The Company is still in the process of finalising its results for the three months ended 30 June 2018. The information contained in this announcement is only based on the preliminary assessment by the Board on the unaudited consolidated management accounts of the Group for the three months ended 30 June 2018 and the information available for the time being, which have not been reviewed by the audit committee of the Company nor audited by the Company’s auditors. The above information may be subject to further adjustment based on updated information and review by the Company’s audit committee. Shareholders and potential investors are advised to read carefully the results announcement of the Group for the three months ended 30 June 2018, which is expected to be released in early/mid of August 2018 in accordance with the GEM Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
